**Invite the Students on Your Trip**

Announce the program to every student in the targeted grade for the trip. Each presentation should only take about five minutes. Use the checklist in the shaded blue box below to receive $100 in rewards!*

- **Personally announce the trip** in each classroom starting with your own. Don’t rely on your colleagues. The students must learn about the trip from you.
- **Maximize parent meeting attendance**
- **Host your 30-minute parent meeting**

You get a great group, receive $250, and are on your way to the experience of a lifetime with your students!

These instructions and the short 4-minute Recipe for Success video will show you how easy it is to lead a successful program.
