FLAG FINANCIAL ASSISTANCE

WorldStrides believes that every student should have access to the benefits of educational travel. To support this vision, our team established the FLAG Foundation, a 501(c)(3) non-profit organization that provides financial assistance to students.

Applying for FLAG financial assistance is easy and confidential. Families with annual adjusted gross incomes of up to \$85,000 may qualify. One short call to WorldStrides Customer Service can tell families how much assistance may be available for their program.

Over \$10 million in financial assistance and scholarships has been given out through this incredible program. Without this assistance, thousands of students would have missed out on the chance to learn in new ways, beyond classroom walls
