Terms & Conditions of WorldStrides programs' Private Educational Tours

You and your participants can choose to enjoy a private tour when 25 or more paying participants enroll on your 2018 program by June 1, 2017.

If the amount of participants on your tour drops below 25 participants, you will no longer qualify for a private bus on your tour. Valid only for tours leaving March 1, 2018 or later. You always have the option to pay to take your students on a private tour with less students as well.
