

Florida Packing List

HELPFUL PACKING TIPS

- Take precautions against mosquito bites when traveling to warmer climates by packing light-colored long sleeves and full-length pants in woven fabrics. Bringing mosquito repellent with DEET, Picaridin, or eucalyptus oil can also lessen your chances of itchy bites.
- Put your full name on all personal items.
- Don't over pack! A common mistake is to take too many clothes, unnecessary toiletries, etc. You must be able to carry your own luggage. Usually one suitcase and a backpack are sufficient.
- Be sure to follow the TSA restrictions on the amount of liquids or gels that can be packed in carry-on bags. You can bring a single 1- quart-sized zip-top clear plastic bag with 3.4-ounce bottles or less.
- Don't forget that WorldStrides doesn't cover checked baggage fees. To avoid these fees, you may bring a carry-on suitcase and a backpack on the plane at no extra cost.
- If traveling by air, adults (18 years and older) must carry a picture ID (driver's license, ID card, passport, etc.) that matches the name on your ticket.
