

Thanks for downloading our tiled calendar!

Use these instructions to make it a snap to assemble and post on your wall.

Instructions

	<p>Start with the first row of pages. (Pages 1 and 2)</p>
	<p>Cut the second page along the dotted lines.</p>
	<p>Apply glue to the colored area on the right side of the first page. Attach the second page to this area. (There will be a little bit of overlap, but that's ok! This ensures that your calendar will look great when finished.)</p>
	<p>Repeat these steps for the second row. (Pages 3 and 4)</p>
	<p>Once both rows are assembled, apply glue to the colored area at the bottom of the first row. Attach the second row to this area.</p>
	<p>Trim the outside edges and you're finished!</p>

Trim edges once all pages are glued together
