

Thanks for downloading our tiled poster!

Use these instructions to make it a snap to assemble and post on your wall.

Instructions

	<p>Start with the first row of pages. (Pages 1 through 4)</p>
	<p>Cut the pages 2, 3, and 4 along the dotted lines.</p>
	<p>Apply glue to the colored area on the right side of the first page. Attach the second page to this area. (There will be a little bit of overlap, but that's ok! This ensures that your poster will look great when finished.)</p>
	<p>Repeat these steps for rows 2, 3, and 4.</p>
	<p>Once all rows are assembled, apply glue to the colored area at the bottom of each row. Attach each row to this area on the previous row.</p>
	<p>Trim the outside edges and you're finished!</p>
