

# JOIN YOUR FRIENDS IN

# Boston & New York City

Robotics, engineering, coding, and more! A trip to Boston and New York City gives you an up-close and personal look at innovative science and technology on the East Coast. Work side by side with research scientists, get inspired by the Statue of Liberty, and have a blast making unforgettable memories with your friends.

## LEAP into STEM

This trip will provide endless opportunities for hands-on interaction with the scientific principles you may only see in textbooks. We call this LEAP—Learning through Exploration and Active Participation—and it creates the perfect balance of fun and education on every trip!

## Safety is our top priority

You're never alone when you travel with WorldStrides. Here are some of the ways we support our travelers:

### WorldAssist

specially trained team available to assist traveling groups 24 hours a day

### Course Leaders

caring and dynamic individuals who are specially trained to guide your group throughout your trip and make learning come to life

### Motor Coach Drivers

with years of experience driving and working with student groups

### Student Name Tags

printed with WorldAssist's toll-free number

### Doctors on Call Program

an exclusive partnership with The George Washington University Department of Emergency Medicine that grants us access to doctors for consultations and treatment recommendations

### On-Site Coordinators

helping hands to assist your group at the hotel

### Night Chaperones

additional help to monitor hotel hallways overnight

## Tools to help pay for your trip

We offer several tools to help make these experiences possible for every student!

**Financial Assistance:** Over \$2.5 million in assistance is given out each year to families with annual adjusted gross incomes of \$85,000 or less

**Gift of Education:** An effective fundraising tool where 100% of the money raised goes to pay for your trip

**Payment Plans:** Spread out payments and set up auto-deductions to save time and money
