Resources for Choral Professionals During the Pandemic

During this challenging time, we are seeing the creativity, ingenuity, and leadership of choral professionals as they create and share resources to help themselves and others respond proactively! This page is an attempt to collect many of these ideas and suggestions together. Do you know of other resources that are particularly relevant for choral professionals? Please email [Sundra Flansburg \(sflansburg@acda.org\)](mailto:sflansburg@acda.org) with your suggestions.

Research

- ▶ [1. Aerosol Generation from Playing Band Instruments, Singing, and Performing, and Risk of Infectious Disease Transmission](#) (Univ. of Colorado & Univ. of Maryland)
- ▶ [Research Study: Performing Arts Aerosol Study – Third Release of Data](#) (Nov. 13, 2020)
- ▶ Explanatory Webinar: Second Release of Preliminary Results of Performing Arts Aerosol Research Study – organized by ACDA, NATS, Chorus America, Barbershop Harmony Society, and PAMA (Aug. 10, 2020)
- ▶ Explanatory Webinar: Second Release of Preliminary Results of Performing Arts Aerosol Research Study – organized by the researchers (Aug. 6, 2020)
