## DAY 1

### *Travel Time*

- \* Board your evening flight to Nadi from Los Angeles.

## DAY 2

### *Time Travel*

- \* The international date line does its thing and you skip a day.

## DAY 3

### *Bula!*

- \* Arrive early in the Fijian city of Nadi, clear customs and immigration and meet our local team. Next, a short ride to the wharf to board our island transfer. From the top deck of the boat you get your first glimpse of the beautiful Mamanuca and Yasawa Islands as our ferry heads out into the warm waters of the Pacific. The ride is about 3 hours but thoroughly enjoyable as the scenery is spectacular and the sun feels amazing. We jump off the ferry at the island of Naviti. Botaira is a small locally-owned resort on a beach and your home for the next three days.
- \* After a traditional welcome and tour of the resort you have time to unwind before dinner with the group.

## DAY 4

### *Intro to Island Life*

- \* Enjoy a big tropical breakfast, and then it's time to learn a little about the local culture. Whether it's weaving baskets from palm trees or identifying local plants and their medicinal qualities, there will be lots of activities through the day to join in on. A group snorkeling lesson this afternoon allows you to get up close and personal with hundreds of brightly colored fish in the resort lagoon.
- \* A late afternoon volleyball game with the locals rounds out your first day in paradise.
- \* After dinner tonight, enjoy a traditional dance ceremony where you will learn a number of the moves before a few drinks under the stars.

This is a specially-arranged visit where you will be welcomed into the village and given a tour of the locals' homes. Stop into the local school house and meet some local children as well as visit the local market for some handicrafts.
- \* On the way back to the resort take one of the many trails on the hill for some spectacular views of the Yasawa islands.
- \* Another fabulous dinner and local entertainment round out the evening.

## DAY 6

### *Nativi to Beachcomber*

- \* Your final morning on Naviti. Grab a kayak and go for a paddle or join a trip to swim with the local manta rays. Board the island ferry this afternoon and head to Beachcomber Island. Arrive, grab a cocktail and explore.
