

FLORIDA: SCIENCE IN MOTION

YOUR DAY-BY-DAY ADVENTURE

DAY 1

Arrive in Orlando, FL

Epcot® Explore as many attractions as you can!

Future World A Vision For Tomorrow – Students have the opportunity to visit exciting attractions such as Mission: Space, Spaceship Earth, Living with the Land and many more.

Mission: SPACE Blast off in a space travel simulation where students experience the training required of astronauts and the challenges they must meet in deep space.

Test Track Speed around curves in a futuristic test car and learn how vehicle prototypes are evaluated at this automobile testing simulation. Students can also create their own concept vehicle and take it for a virtual test drive.

Spaceship Earth Experience Project Tomorrow: Inventing Wonders of the Future Explore and interact with new technologies and innovations from the worlds of medicine, transportation safety, and energy efficiency.

Dinner and hotel check-in

DAY 2

Breakfast

Wild Florida Day Program If you dare, you'll experience up close encounters with alligators, snakes, or other animals! Here you and your friends will explore Florida's most unique ecosystem on an airboat ride in the wetlands—and gain a greater awareness of its endangered species.

Lunch

Wonderworks Check out the more than 100 interactive exhibits that explore the answers to the unexplained in this wacky, zany science museum.

WonderWorks Outta Control Dinner Show Enjoy unlimited pizza and laugh the evening watching (and becoming a part of) the show!

Return to hotel

DAY 3

Breakfast

Kennedy Space Center Learn the incredible story of NASA's 30-year Space Shuttle Program at the new Space Shuttle Atlantis exhibit. View this massive shuttle from different angles and see the wear and tear of its 33 missions.

Space Shuttle Atlantis exhibit. View this massive shuttle from different angles and see the wear and tear of its 33 missions. Interactive Launch Simulator Discover the impact of space technology on inventions like Velcro and cell phones.

Lunch at **Kennedy Space Center**

Saturn V Center at Kennedy Space Center Board the bus for an Apollo/Saturn V Center tour where you will see a 363-foot moon rocket! Don't miss the Firing Room Theater which re-creates an Apollo launch and the Lunar Theater which depicts the first moon landing.

Dinner at **Disney Springs**. Then, free time to explore Disney Springs

DAY 4

Breakfast

Disney's Magic Kingdom®: Imagination Campus Participate in a Disney behind-the-scenes seminar (options vary based on day of the week).

Theme Park Design Through forced perspective, use of color, and architecture, learn how design immerses guests in various stories within the themed lands of the Disney Parks.

Lunch

After lunch group remains at **Magic Kingdom®** to experience and explore all of the shows and attractions.

Dinner and return to hotel

DAY 5

Breakfast and hotel check-out

Visit **Disney's Animal Kingdom®** Encounter real and mythical animals while embarking on the Kilimanjaro Safari® across the African savannah or riding a high-altitude coaster in Expedition Everest™ to escape the legendary Yeti.

Lunch

Over 2,000 animals call the Animal Kingdom® home, so you're sure to glimpse some of your favorites – from lions, tigers, gorillas, to sea turtles, and migratory birds.
